

SIMS STAFF APPRECIATION

APRIL 22-26

Use the attached handout to show your appreciation to your teacher. Or make your own gift.

Bring in a single flower for your teacher. Hopefully they will be able to make a bouquet with all the flowers from the students!

Write a poem with a rhyme, it only takes a little time! Use the attached template to write a poem for your teacher.

Bring your teacher a treat or their favorite snack!

Email or write to your teacher and share a favorite memory from the year.

Our wonderful staff are always there for Joseph Sims students and families. We invite you to show your appreciation each day to help make staff appreciation week a success! Together, let's tell our "friends" at Sims, "I'll be there for you".

Please note these are just suggestions. Feel free to show your appreciation however you choose!
